Open a door. Change a life.

LOVE OPENS DOORS

Every young person deserves
a safe place to call home.

Every day, youth in our community face homelessness, family conflict, abuse, human trafficking, and mental health challenges. Many have nowhere safe to turn.

Youth homelessness and demand for youth services is higher than ever. Last year more than 700 young people turned to Youth Focus for help.

For more than 55 years, Youth Focus has walked alongside hundreds of vulnerable youth. Through **emergency shelter, supportive housing, counseling, education, life-skills programs**, and **connection to employment** resources, Youth Focus helps young people move from crisis to independence, stability, and hope.

Join us in opening doors that change lives forever

Love Opens Doors 2026 was a great success with more than 250 guests in attendance and more than \$315,000 in total funds raised.

You are invited to become a 2027 Love Opens Doors Corporate Sponsor. When you sponsor Love Opens Doors, you are not just supporting an event - you are investing in the future of our community and helping young people build lives filled with **safety, security, and success.**

Throughout her childhood and teen years, Paige experienced homelessness multiple times and was later placed with an abusive foster family that lacked the support she needed. After years of instability and couch surfing, she connected with Youth Focus's shelter services at Act Together Crisis Care.

On her 18th birthday, Paige moved into Youth Focus's Transitional Living Program, where she found the stability and support she needed to thrive. She graduated from high school on time and is now pursuing a degree in Social Work at UNCC. Today, she volunteers with Youth Focus and other organizations, using her story to inspire and support other young people on their own journeys.

Your investment ensures Youth Focus can continue responding when vulnerable youth need us most.
